Welcome [1]

Welcome to my personal website. My name is **Oleksii Serdiuk** and I'm a **software engineer** from Ukraine who currently lives in **Berlin**, Germany. I will eventually post some articles here and publish information about my projects [2].

I speak **English**, **Ukrainian**, and **German**, so expect this website to have content in either of those languages.

If you'd like to know more…

…about my **personal** life, you can see my Facebook page [3].

…about my **professional** life, you can find my profiles on GitHub [4], LinkedIn [5] and Xing [6]. And there's also a downloadable version of my CV [7].

It's also possible to follow me on Twitter [8].

If you'd like to contact me, feel free to send a message directly from this website's contact form [9], or drop me an e-mail to contacts@oleksii.name.
