Hello world! ^[1]

Submitted by [Oleksii Serdiuk](#) ^[2] on Sun, 13/07/2014 - 21:17

Finally, I found some time to replace my old and outdated personal website, that I created almost ten years ago (in 2005), with a new modern version. Welcome!

This site is still somewhat under construction, so expect changes to happen.

And if you're interested, the old version of my personal website is still available at <http://www.leppsville.com/> ^[3].
